MEET* STARTRADER

Enter the universe of opportunities with us

STARTRADER is the world's fastest-growing broker. Bringing over +15 years of market expertise, we are a fully regulated broker with whom you can trade CFDs in hundreds of instruments across six asset classes – forex, crypto, metal, indices, commodities, and shares.

We give you the confidence to trade efficiently by offering the highest levels of security of funds with fully segregated accounts and a high paid-up capital.

Known for our customer-centric approach, we stop at nothing to ensure that our clients have all the tools and information they need to start their trading journey; that includes a safe trading environment with nano-second execution.

KNOW * US MORE

OUR MISSION

To enable our clients and partners to attain financial freedom by accessing the global financial markets in a flexible and secure environment.

OUR VISION

To be recognised globally as customer-centric, secure, and market-leading forex and CFD broker. To be known worldwide as the broker which delivers: The Power of Choice.

OUR VALUES

Security

The value of security is applied to all our employees, partners, and clients. It is vital we always work with trust, transparency, and honesty.

Tech-savviness

The value of tech-savviness is applied internally, externally and in connection to the markets. Cutting-edge technology is used to enhance the experience at every step, from hassle-free transactions to nano-seconds executions.

Accessibility

The value of accessibility puts our clients first. We ensure that our processes provide access that enables them to achieve their goals rapidly, easily, and safely. No barriers.

Respect

The value of respect applies across the company. We hold this value to the highest of standards in all aspects of our operations.

TRADE AMONG THE STARS

OUR CEO

Mr. Peter Karsten, our CEO, is a physicist and inventor with over 15 patents under his name. He wrote the first specifications for downloadable ringtones, sending business cards over SMS and downloadable apps.

He also created a connected digital watch that was decades ahead of its time and truly has a knack for finding answers that are backed by technology and driven by customer-centricity.

Peter has worked with leading global companies like Citibank and Nokia and has made incredible contributions in the world of forex and financial derivatives through his experience with Infinox, BDSwiss and Cecure Gaming, to name a few.

At STARTRADER, he brings his prowess and ingenuity as a visionary, into the world of trading, again.

RISK WARNING

All investments entail risks and may result in both profits and losses. In particular, trading leveraged derivative products such as Foreign Exchange (Forex) and Contracts for Difference (CFDs) carries a high level of risk to your capital. All these derivative products, many of which are leveraged, may not be appropriate for all investors. The effect of leverage is that both gains and losses are magnified. The prices of leveraged derivative products may change to your disadvantage very quickly, it is possible for you to lose more than your invested capital and you may be required to make further payments. It is important that you understand that with investments, your capital is at risk. Past performance is not a guide to future performance. It is your responsibility to ensure that you make an informed decision about whether or not to invest with us. Before deciding to invest in any financial product, you should carefully consider your investment objectives, trading knowledge and experience and affordability. You should seek independent professional financial advice if you do not understand the risks involved. You should only trade in Forex and CFDs if you have sufficient knowledge and experience of the risks involved in trading such products and if you are dealing with money that you can afford to lose. We assume no liability for any loss sustained from trading in accordance with a recommendation.
